 THE 63RD ANNIVERSARY OF MON NATIONAL DAY CELEBRATION COMMITTEE
 FORT WAYNE, IN U.S.A

INVITATION LETTER OF 63RD MON NATIONAL DAY

You are respectfully invited to the upcoming 63rd anniversary of Mon National Day Celebration. Please come and experience our Mon culture with people from communities, social organizations, foundations, government agencies, volunteers, friends and Mon families.

We are celebrating this auspicious event to mark “the last Mon kingdom, known as Hongsawaddy or Pegu, was established by two princely brothers, Samala and Wimala, in 572 A.D. The auspicious day on which this last sovereign kingdom of the Mons was established – the 1st waning day of the 11th month, according to the Mon lunar calendar -- has been designated as our National Day by modern-day Mon people. Mon communities both at home and abroad celebrate this National Day every year with the aim of strengthening unity among ourselves and safeguarding our ethnic identity”.

During the event, we will be serving with Mon foods and featuring with traditional dances by Mon children, students and dance troupes.
